Education

Bachelor of Arts in Modern Languages (Japanese Emphasis) Clemson University (Graduated Dec. 2025)

Current GPA 3.12

Studied abroad through short-term summer program in May-June 2025 at Kansai University in Osaka Prefecture.

Minor in Computer Science

Previous Employment Experience

Clemson University

Teachers Assistant/August 2022-May 2023

I was placed in charge of managing the lab sections for classes 1060/1061 and 1010/1011. These were introductory programming classes focusing on Java and C respectively. In addition to helping students in the lab sections, I also hosted office hours where students could come for additional help with assignments.
